

Center for Korean Language and Culture Education

Learn Korean “Easy and Fun” In a Friendly and Engaging Atmosphere,

Thank you for your interest in studying at the Center for Korean Language and Culture Education (KLCE) of Busan University of Foreign Studies.

We are living in a global-based environment where national borders bear no significance. Under this backdrop and current global trends, learning a foreign language and better understanding another culture is a meaningful and rewarding experience, conducive to overcoming language and cultural barriers, and, in turn, expanding our views of the world.

The KLCE supports the international students in the development of their Korean language expressive skills and the knowledge of the Korean cultures, while facilitating cross-cultural exchanges between students from different cultural backgrounds.

Combined with teachers' pedagogical knowledge and extensive practical teaching experiences accrued over the years, the KLCE takes pride in offering quality programs with well-structured curriculum tailored-made to the educational needs of the learners. Also noteworthy is a wide range of the KLCE-organized cultural activities to provide the learners with cultural experiences outside of the classroom that will allow students to feel comfortable and engaged.

Dear students ! You are about to embark on a learning journey, developing your Korean language learning and in-depth knowledge and understanding of the Korean culture to the next level. And with the help of the dedicated and caring teachers, combined with your continuous pursuit of academic excellence, all the members of the KLCE will support you and walk with you in your journey every step of the way until you realize your personal dreams.
