### Global Perspectives Travel Immunization Requirements

The mandatory vaccinations are necessary for international travel. The highly recommended vaccinations are identified by a comprehensive travel medicine database specifically related to international health and travel as moderate risks to travelers. These may include but are not limited to country, region, elevation, province, and city.

## Spain Morocco Communication

May 16-26, 2022

### **Mandatory:**

- MMR (Measles, Mumps, Rubella) x 2
- Varicella (chickenpox) x 2 or positive titer
