

## Global Perspectives Travel Immunization Requirements

The mandatory vaccinations are necessary for international travel. The highly recommended vaccinations are identified by a comprehensive travel medicine database specifically related to international health and travel as moderate risks to travelers. These may include but are not limited to country, region, elevation, province, and city.

### Israel/Palestine: Anthropology

December 11-23, 2019

#### **Mandatory:**

- MMR Vaccine x 2
- Varicella x 2
