

*Health Services*

**Global Perspectives Travel Immunization Requirements**

The mandatory vaccinations are necessary for international travel. The highly recommended vaccinations are identified by a comprehensive travel medicine database specifically related to international health and travel as moderate risks to travelers. These may include but are not limited to country, region, elevation, province, and city.

## **UK Semester Abroad**

**January 17-April 09, 2022**

**Mandatory:**

- MMR (Measles, Mumps, Rubella) Vaccine x 2
- Varicella (chickenpox) Vaccine x 2 or positive titer

**Highly Recommended:**

- Tdap (Tetanus, Diphtheria, & Pertussis)

**\*\*COVID vaccination required for all international travel\*\***
